CALVIN DUNCAN SOCIETY

THIS IS MY PROMISE

MISSION STATEMENT:

Valuing the Maryville College liberal arts education, the importance of alumni to the life and health of the College, the concept of giving back to enrich the Maryville College experience for future students, and the continued appreciation of the Maryville College diploma, the Class of 2002 founded and installed the first members of the Calvin Duncan Society.

In support of these values, *Calvin Duncan Society* Members make the solemn promise of an annual and ongoing charitable commitment to our College with the aim of increasing the alumni giving percentage and the total amount of support generated by alumni.

CALVIN DUNCAN SOCIETY PLEDGE

As a Calvin Duncan Society member, I pledge to make a gift to support my alma mater each and every year. I understand that my pledge does not specify a gift amount, but only that I participate with a gift of some amount each year.
