The **Clayton Center for the Arts**, a beautiful venue that highlights fine and performing arts, is the ideal location to display all of the unique, handmade crafts of our artisans.

Proceeds from the crafts festival go to provide scholarships to Blount County students attending Maryville College.

Given the distinctive design of the Clayton Center, enclosed is a layout of the Grand Foyer (main level) and upper balcony areas that will be included in our Crafts Festival. The fee schedule offers two options based on traffic flow, size of booth space and convenience. There will be a fee of $75 for spaces that meet one or all of the criteria listed above and $60 for those spaces that are less visible or not as large.
