Fall Schedule for Math Majors

Add the following courses to your schedule:

1. **FYS110** First Year Seminar (all students must take this)
2. **ENG108 or ENG110** First semester writing course (based on placement)
3. **MTH125** Calculus I (unless math placement requires another course)
4. **CSC111** Introduction to Computer Science
5. **REL130 or REL140** Biblical Studies

Students may substitute any of the following courses for #2 or #3 above to reach a minimum of 16 hours:

- **ART140** Perspectives in Art
- **FRN110** Elementary French I
- **GER110** Elementary German I
- **HIS149** Historical Reasoning Special Topics
- **LAT110** Elementary Latin I
- **MTH110** Quantitative Literacy
- **MTH225** Calculus II
- **MTH232** Linear Algebra
- **MUS140** Perspectives in Music
- **SPN110** Elementary Spanish I
- **THT140** Perspectives in Theatre
