MC Blount Board
2018-19

The purpose of the Blount County Chapter of the Alumni Association is to represent the Blount County Alumni and:

- To promote the interests of Maryville College
- Help to provide engagement opportunities for alumni, and to maintain mutually beneficial relations between the College and alumni
- The primary focus of the Blount County Board is to raise money for the Blount County Alumni Scholarship Fund.

To that end we are working to fund an endowed scholarship. Our initial goal is \$25,000. Once that is reached we can resume funding our yearly scholarships.
