Maryville College's **Net Price Calculator** will be available for prospective students to use starting in late October. Families and students will be able to access the calculator from our website at: maryvillecollege.edu/admissions/net-price

maryvillecollege.edu

KEY DEFINITIONS:

- (1) **Maryville College 2015-2016 Cost of Attendance includes tuition, fees, room and board, books, travel and miscellaneous expenses for the academic year.** Students who live at home with parents will have lower costs and, therefore, will have a lower financial aid award.
- (2) **Maryville College 2015-2016 Direct Costs are tuition, fees, room and board.** Direct Costs are charges that are paid directly to Maryville College. Non direct costs are books, travel and miscellaneous expenses that are included in the total Cost of Attendance.
- (3) **Expected Family Contribution (EFC)** is a number generated through completion of the **Free Application for Federal Student Aid (FAFSA)**. The EFC calculated above for all scenarios is based on four family members with one in college, both parents employed, parental assets of \$40,000 and student income of \$2,500.
- (4) **Pell Grant** is awarded by the Department of Education to students who have high financial need. The PELL Grant is subject to federal funding.
- (5) **Tennessee Student Assistance Corporation (TSAC) Student Assistance Award** is awarded to Tennessee residents who have high financial need. Students who believe they may be eligible must submit the FAFSA as soon as possible after January 1 as funds are very limited and do run out. Deadline is February 1.
- (6) **Maryville College Need-Based Grant** varies according to need and academic ability.
- (7) **MC Scots Scholarship** varies according to merit or Fellowship or Fines Arts.
- (8) **Direct Loans** are guaranteed by the Department of Education. Loan payments are deferred while the student is attending college.
- (9) **Students eligible** for the Federal Work Study program (determined by need) receive priority. Employment is not guaranteed. Students are paid monthly and the amount does not come off of Maryville College Direct Costs.
- (10) **TN HOPE Lottery Scholarship** requires that eligible students have an unweighted grade point average (GPA) of 3.0, an ACT composite score of 21 or an SAT composite score of 980. Eligibility for the TELS program in most instances does not impact a student's eligibility for financial assistance from Maryville. Families must file the FAFSA in order to receive the TN HOPE Lottery Scholarship.
- (10a) Students whose families have an adjusted gross income (AGI) of \$36,000 or less may be eligible for an additional \$1,500 through the **Lottery's Aspire Award**.
- (11) **Payment Options:**
 - **Maryville College offers two monthly payment plans administered through Sallie Mae or TMS. A payment plan is convenient and makes covering your balance manageable. Payment plans are available for 9-12 installments.**
 - **Parent Loan for Undergraduate Students allows a parent to borrow up to the cost of attendance minus all other financial aid. The PLUS loan is a credit based loan and is not guaranteed. A credit based application is required. If a parent is denied the PLUS loan, the student may be eligible for an additional \$4,000 of UnSubsidized Stafford loan.**
 - **Private Educational Loans are available for students who have exhausted all other avenues of financial aid. Private Educational loans are also credit based and the interest rates and origination fees can be based on the credit application. A co-signer is often needed for a Private Education Loan.**

Please note: Every family's financial aid award is unique and specific to each family's circumstances. The examples above are offered to give prospective students and their families an idea of the affordability of a Maryville College Education. Having additional family members or more than one student in college may affect the amount of financial aid. Maryville College strongly encourages students to seek outside scholarships. Additional outside scholarships will rarely affect any Maryville College Scholarship or need-based aid. In most cases an outside scholarship will reduce the need for loans.

IMPORTANT INFORMATION: File your **FAFSA** early to insure that you get all the financial aid that is available. We encourage families to file before February 1, 2016. We also encourage estimating 2015 tax information on the **FAFSA** and to make corrections to the **FAFSA** when you complete your 2015 tax return. You can file your 2016-2017 **FAFSA** starting January 1, 2016 at www.fafsa.ed.gov.
