MC PLAYHOUSE AWARD APPLICANTS

ACTING EMPHASIS
1. The student should perform a brief monologue of no less than one minute and no more than two minutes.
2. The scene should have an emotional shift – a change of intensity or shift of direction.
3. The student should be very familiar with the play from which the scene is taken in order to answer possible questions.
4. The student should begin the audition by announcing her/his name, the character's name, play title, and author of each scene.
5. The student should be prepared to follow directions and to try the scene a different way as suggested by the director.
6. All audition pieces must be memorized.
7. Each piece should come from a published play – not a television script, screenplay or unpublished script.

– OR –

TECHNICAL EMPHASIS
1. The student should bring a resume, some sample programs, and/or letters from directors or technical directors under whom they have worked which directly address the student's experience, attitude, and competence in technical theatre.
2. During the interview, the student may discuss her/his specific duties in technical theatre.
3. Although it is not required, the student may present a portfolio of previous work including production pictures and/or programs listing technical assignments.
