

MARYVILLE COLLEGE

Schedule of Courses JTerm 2018

Registration Times

Online registration will begin on Wednesday, April 11 at 12:00 noon beginning with non-graduating senior and continuing by class standing, which is based on credit hours complete to date.

Individual registration times will be sent to students' email accounts. Group registration times only indicate when the window for a particular group opens; windows remain open throughout the registration period.

Advising

Advising is required before registration for all degree-seeking students. Schedules submitted online will be approved by individual advisors before they become final.

Alternate Course Selections

When meeting with your advisor, it is a good idea to make some alternate selections in the event that a first-choice course is closed at the time you register.

Prerequisites

Course prerequisites are listed in the College Catalog as well as in the course description on Self-Service; be sure to consult it before registering.

Lecture/Lab Co-requisites

Lectures requiring labs are set up in the schedule as co-requisites, and therefore, both must be put into the registration shopping cart and submitted together. One cannot be added or dropped without the other.

Schedule Adjustment

Schedule adjustments (adds/drops) may be made online via Self Service until online registration closes. After that time, Schedule Adjustment forms must be used. These forms are available in the office of the Registrar, and they require signatures of the student, the advisor, and the class instructor.

Dropping Courses vs. Withdrawal

Dropping all courses from one's shopping cart will withdraw the student from school! Therefore, *never completely empty your registration shopping cart* once you have begun filling it with course selections.

Registration Deadlines

October 30 – Online registration open for adjustments

December 9 – Online registration closed

January 18 – Last day to drop a course with a W
