

Fall Schedule for Computer Science Majors

Add the following courses to your schedule:

1. **FYS110** First Year Seminar (all students must take this)
2. **ENG108 or ENG110** First semester writing course (based on placement)
3. **MTH125** Calculus I(unless math placement requires another course)
4. **CSC111** Intro to Computer Science (if math placement is MTH115 or higher)
5. **REL130 or REL140 or REL149** Religious Studies

Students may substitute any of the following courses for #5 above to reach a minimum of 16 hours:

FNA140	Introduction to Fine Arts
FRN110	Elementary French I
GER110	Elementary German I
ITA110	Elementary Italian I
MTH110	Quantitative Literacy
SPN110	Elementary Spanish I
HIS149	Historical Reasoning
