

FALL SCHEDULE FOR ENGINEERING MAJORS

Add the following courses to your schedule:

1. **FYS110** First Year Seminar (all students must take this)
2. **ENG108 or ENG110** First semester writing course (based on placement)
3. **MTH125** Calculus I (unless math placement requires another course)
4. **CHM121** General Chemistry I (unless placement requires CHM111)

Students who place out of #2 may choose an additional course from the following to reach a minimum of 16 hours:

FRN110	Elementary French I
GER110	Elementary German I
HIS149	Historical Reasoning
ITA110	Elementary Italian I
MTH110	Quantitative Literacy
REL130	Hebrew Bible World & Culture
REL140	New Testament World & Culture
REL149	Religious Studies
SPN110	Elementary Spanish I
