

MARYVILLE COLLEGE

Schedule of Courses Mayterm 2024

Registration Times

Online registration will begin on Monday, March 25th at 12:00 pm beginning with non-graduating seniors and continuing by class standing, which is based on credit hours complete to date.

Students should check Self-Service for the day and time individual registration windows will open. To find it, go to “Register/Traditional Courses” to see day and time under “Status.” Registration times only indicate when a particular window opens; windows remain open throughout the registration period.

Advising

Advising is required before registration for all degree-seeking students. Schedules submitted online will be approved by individual advisors before they become final, but spaces are reserved when the cart is successfully submitted.

Prerequisites

Course prerequisites are listed in the College Catalog as well as in the course description on Self-Service; be sure to consult it before registering.

Lecture/Lab Corerequisites

Lectures requiring labs are set up in the schedule as corerequisites, and therefore, both must be put into the registration shopping cart and submitted together. One cannot be added or dropped without the other.

Schedule Adjustment

Schedule adjustments (adds/drops) may be made online via Self Service until online registration closes. After that time, Schedule Adjustment forms must be used. Online forms are available online at <https://www.maryvillecollege.edu/academics/registrar/forms/>, and will require approvals of the advisor, and the course instructor.

Dropping Courses vs. Withdrawal

Dropping all courses from one’s shopping cart will withdraw the student from school! Therefore, *never completely empty your registration shopping cart* once you have begun filling it with course selections.

Tuition Rate

Tuition for May Term is \$390 per credit hour.

Registration Deadlines

May 16 – Last day to drop a course with a W
