

HELPFUL INFO DURING KT DAYS

REGISTRATION

KT Days registration for participants not staying on campus is located on the **front lawn of Pearsons Hall on Tuesday, June 9, beginning at 7:30 am**. Those participating in KT 101 or Alumni Brew Day on Saturday, June 6, will receive their packets at their first event. If Saturday or Tuesday is not your first workday, registration will be in the Pearsons Hall lobby during breakfast. At registration, you will receive your packet, tshirt, and commemorative gift, and complete any missing paperwork. Please see the Meals section below for all mealtimes.

Participants not staying on campus may also register and pick up their packets during Housing Check-In on **Monday, June 8, from 1:00 pm – 3:00 pm, in the Lloyd Hall first floor lobby**.

CAMPUS RESTRICTIONS

Maryville College observes the Tennessee state law that prohibits **smoking** in all campus buildings – including residence halls. College regulations prohibit **non-prescription drugs** and all **weapons** on the college campus.

Animals are not allowed in any campus facility with the exception of those trained to assist individuals who are physically challenged.

Parking on campus is free. Parking in fire lanes, on the lawn, or on sidewalks is strictly prohibited. Violators will be subject to tow at the owner's expense. College policy prohibits RV motor vehicle homes used for housing accommodations while parked on campus.

MEDICAL SERVICES

Medical services are NOT available during the summer at Maryville College. **The Alumni Office and all project leaders will have first aid kits**. Emergency medical attention is available at Blount Memorial Hospital, located across the street from campus or the following nearby walk in clinics:

- KOC Urgent Care: 827 E. Lamar Alexander Pkwy. Maryville, TN 37804 / (865) 252-5557
- Covenant Health Urgent Care: 117 Gill St. Alcoa, TN 37701 / (865) 982-3409
- Prisma Health CareToday Clinic: 266 Joule St. Alcoa, TN 37701 / (865) 268-1344

If you need medication by injection, please dispose of needles safely or take them with you when you leave.

MEALS / BEVERAGES

Meals are served at 7:30 am, 12:00 pm and 5:00 pm each day in Pearsons Hall. Each meal is buffet-style with many choices to meet every palate. **New for 2026: Please enter Pearsons Hall from the FRONT entrance (from center campus) and enter the Dining Hall from the main front entrance, not from the Proffitt Dining Room (PDR). You will show your nametag to dining services staff and then proceed through the cafeteria line.** Handicap accessible entrance is available via a ramp on the right side of Pearsons Hall, when looking at the front entrance (from center campus). Seating for KT'ers is in the Proffitt Dining Room (PDR).

Coke products are sold in vending machines in various locations on campus. Water stations will be set up in several locations near work sites. **Bring a portable water bottle for those water stations.** This reduces waste and allows you to have water with you wherever you go.

On **Wednesday**, frozen treats will be served by the MC Cabinet at Ice Cream Stations and via golf cart to those at remote project sites. Listen for location announcements at breakfast and lunch that day.

SECURITY

Campus Security is available to you during KT Days for minor incidents by calling **(865) 981-8112**. Please save this number in your mobile phone. If you have an emergency, please call 911 or the Maryville Police Department at (865) 273-3700.

WI-FI

High speed internet is available through the college-wide Wi-Fi network. The guest network is called **MC-Guest** and will require you to login with your personal email address. Your device should automatically detect it among available Wi-Fi networks.

KT PHARMACY

KT Volunteers and conference staff are the only guests in Lloyd Hall during KT Days, with room assignments on the first and second floors. KT'ers may use the first or second floor common space lobby as the Pharmacy location. You may store beverages in the common space refrigerators, but it is recommended to keep alcohol stored in the private dorm rooms. Please remain aware of noise levels, as the common space lobbies are near sleeping quarters for your fellow volunteers. Please contact a KT'er staying in Lloyd Hall for access to the building.

BEFORE & AFTER PHOTOS

We need your photos! Our team takes BEFORE pictures for each project prior to KT Days and we do our best to capture accurate progress and AFTER pictures to create a celebratory slideshow for the Wrap Up Dinner. Please help us by taking progress and AFTER pictures at your project site and sending them to our team. Be sure to get photos including your team members at work and a group photo together. Please send to **Jennifer Triplett** at jennifer.triplett@maryvillecollege.edu or by text to (615) 347-3159.

Please label pics with the location and project (i.e., Fayerweather rose bushes trimming). If you need help, find an Advancement Team staff member, or bring your phone to the Greaser Alumni Center and we can assist you in sharing the images.

KT ENDOWMENT

Several years ago, an endowment was generously created to help cover the costs incurred by KT Days. The graciousness of the alumni and friends that put time and sweat equity into the work done on campus during KT Days is a great benefit to the College. However, the week comes with many expenses related to housing, meals, and materials. Donations to the KT Endowment help to offset the funds needed to make KT Days happen. Special thanks to those who started the KT Endowment and those who have added to the fund over the years. To donate to the KT Endowment, the Maryville Fund, or any other area of campus, please visit the MC Giving page at www.maryvillecollege.edu/give-today.
