

# **Alumni Directory Login and Registration Instructions**

1. Type <a href="https://alumni.maryvillecollege.edu">https://alumni.maryvillecollege.edu</a> in your browser (or click this link)

Please note: you can also click the link in an email you received from the Alumni Office, but the following images may appear differently by taking that step.

2. View the MC Alumni Directory homepage. Ensure and click blue "Login/Sign Up" button.

3. The Alumni Directory does not require you to have or remember a password. Instead, each time you login, a one-time code will be sent to your email address to verify your login (like any other two-step verification).

Be sure your email is open on another device (computer or mobile phone) or a different browser or tab than the Alumni Directory login screen. You will need to access your email to complete the registration.

You may select to login through your Facebook account, Google account, LinkedIn account or via your email address directly.

Please note: if you login via your Facebook, Google, or LinkedIn accounts, the one-time verification code will be sent to the email address associated with that account.

4. These instructions will follow login procedure via email address. Type your email address into the field and click "Submit."

5. You will now see a prompt to enter a verification code.

6. Check your email inbox. You should receive a verification code email like the example below. Please check your spam or other inbox folders also.

If you do not receive a verification code email, click "Did not get the code?" and return to the login screen to select a different mode of login (via Facebook, Google, or LinkedIn accounts or a different email address).
