

SCOTS CONNECT

CALLING ALL SCOTS!

So much has happened since you graduated from Maryville College, and we want you to be involved in our progress. The College has added new facilities, new majors, new strategic alliances, and more.

The Maryville College Alumni Association created the “Scots Connect” initiative to connect our MC Alumni with each other and with the College through geographically based chapters. **Will you help us and your fellow alums? This is the time – there is momentum, coordination, and connection – and we want YOU involved.** We value your leadership and hope you will join us in this exciting effort.

Alumni chapters create a collaborative environment for MC Alums to gather for regular fellowship, reconnect with classmates and other alums, and to come alongside the College in efforts to recruit new students from these areas.

BENEFITS OF AN MC ALUMNI CHAPTER

- Connect with people nearby with whom you have something special in common
- Networking and career development
- Help identify and recruit students to MC
- Opportunities to connect with current students
- College-supported social and service events to facilitate local connections
- Opportunities to create your own unique events for alumni in your area
